

MEETING MINUTES

Date:	20 July 2026
Location:	Brussels
Name(s) and function(s) of the Commission representative(s):	Director-General for Energy Céline Gauer
Name(s) of the interest representative(s):	French CEA
Subject matter:	introductory meeting to present CEA's involvement in the development of low-carbon technologies
Main points raised and positions expressed:	• CEA presented its broad research and innovation profile, highlighting its integrated work across nuclear, renewables, hydrogen, batteries, photovoltaics, grids, digital and fusion, as well as its role in linking upstream research to industrial deployment. • The main discussion focused on France's new project on closing the nuclear fuel cycle. A substantial exchange took place on financing this project. • FR and EU fusion strategies were also briefly discussed.
Conclusions:	- N/A
