

EUROPEAN COMMISSION

MEETING MINUTES

Date:	<i>20 July 2026</i>
Location:	<i>Videoconference</i>
Name(s) and function(s) of the Commission representative(s):	<i>Céline Gauer, Director-General for Energy</i>
Name(s) of the interest representative(s):	<i>American Petroleum Institute (API), LNG Allies, Centre for LNG</i>
Subject matter:	<i>EU-US Energy Trade, EU Methane Regulation</i>
Main points raised and positions expressed:	<i>Companies highlighted their commitment to the reduction of methane emissions and welcomed the increased clarity the Recommendations on the EU Methane Regulation provide. They shared their concerns on insufficient clarity on compliance pathways, alignment between Member States in implementation and security of supply for Europe. ENER reaffirmed the implementation of the EU Methane Regulation and the guidance on delaying the implementation on penalties for the next three years. It also underlined its commitment to work with Member States on implementing the Regulations in a consistent manner and ensuring granular guidance on compliance pathways.</i>
Conclusions:	<i>Continue exchanges between teams.</i>
