

MEETING MINUTES

Date:	15 July 2026
Location:	Brussels
Name(s) and function(s) of the Commission representative(s):	Director-General for Energy Céline Gauer
Name(s) of the interest representative(s):	nucleareurope
Subject matter:	Introduction to the European Nuclear Industry
Main points raised and positions expressed:	Overview of the sector and investment outlook: The nucleareurope representative presented its organisation and its projections for future installed nuclear capacity. The related Workforce challenges was discussed. Post-2030 framework, electrification and low-carbon hydrogen: nucleareurope called for an ambitious upcoming electrification action plan and argued that the post-2030 framework should better recognise all low-carbon energies, including nuclear. Discussions also covered financing for nuclear projects and opportunities, alongside the evolving legal and regulatory frameworks surrounding the sector.
Conclusions/Next steps:	- N/A
