| <b>Date:</b>                                                        | <i>2 July 2026</i>                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Location:</b>                                                    | <i>Brussels</i>                                                                                                                                                                                                                                                                                                                                                                                            |
| <b>Name(s) and function(s) of the Commission representative(s):</b> | <i>Joachim Balke, Head of Unit ENER C.4</i>                                                                                                                                                                                                                                                                                                                                                                |
| <b>Name(s) of the interest representative(s):</b>                   | <i>CurrENT Europe</i>                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Subject matter:</b>                                              | <i>Presentation of CurrENT project on benefit-sharing</i>                                                                                                                                                                                                                                                                                                                                                  |
| <b>Main points raised and positions expressed:</b>                  | <i>CurrENT presented their planned benefit-sharing study, assessing models of incentivising use of innovative grid solutions and their benefits in Italy and Germany. CurrENT also presented views on the ongoing negotiation of the European Grids Package. DG ENER took note of the comments and the project and explained the timeline of the negotiation, with expected compromise by end of 2026.</i> |
| <b>Conclusions:</b>                                                 | <i>N/A</i>                                                                                                                                                                                                                                                                                                                                                                                                 |
